NEW YORK, WEDNESDAY, MAY 9, 1877,-TRIPLE SHEET.

SPECIAL NOTICES.

THE LATE ELLWOOD WALTER

OPPICE OF THE BOARD OF UNDERWRITERS, No. 51 WALL NEWER.

New YORK, May R. 1877.

A special meeting of the Board was convened this day to take action in reference to the death of biliwood Walter.

After some appropriate remarks by the President, F. S. Lathrop, Daniel Drake Smith and John D. Jones, the following resolutions were adopted:—

Resolved, I. That this Board has received with feelings of deep sorrow the autouncement of the decase of Ellwood Walter. President of the Mercantile Mutual Insurance Company, who for nearly twenty eight years has been a mamber of this Board, and during all that time its able and knonred Secretary.

2. That by the death of Mr. Walter we have lost one whose large experience and extensive knowledge as an underwriter has long commanded our admiration and respect, and whose high character as an unpeight and honorable man, always seeking those ways that tended to peace and good will among men, made us cheriah and love him as a valued friend.

3. That as an evidence of our respect the offices of the several marine insurance companies in this city be closed at hall-past two o'clock P. M. to-morrow (Wednesday), and that the Underwriters will attend the funeral services in a body. Ordered, That these resolutions be recorded in the book of minutes and published; and, as a further expression of our respect for his memory, and of our sympatily and condisione, that a copy of them be transmitted to the family of the decased.

PROPOSALS.

TO CONTRACTORS.
SUDBURY RIVER CONDUIT.
Proposals for sections A and 21.
City or Hoston, City Hall,
Boston Wayers Board Office.

Sealed proposals will be received at this office for two
separate contracts, to be indorsed as follows, viz.:—
(1st.) Proposal for building section A of the
Sudbury River Conduit;
(2d.) Proposal for building section 21 of the
Sudbury River Conduit;
until 12 o'clock M., of Thursday, the 17th day of May,
1877, at which time and place they will be publicly opened
and read.

is 77, at which time and place they will be phonery speaks and read.

Bidders are requested to state in their proposals their names and places of residence, and to declare that the proposal is in all respects lair, and made without connection or cliusion with any other person making proposals for the same work. They will give a price for each separate item of the work, by which the bids will be compared. The prices proposed must be stated both in writing and in figures, and fail proposals containing bids not called for in this advertisement will be considered informal. Each bid must be signed by the bidder, and accompanied by a written bond for

in this advertisement will be considered informal. Each bid must be signed by the bidder, and accompanied by a written bond for \$2,000 if the bid is for Section A, and for \$2,000 if the bid is for Section 21.

of a responsible person, giving his place of business or residence, and conditioned for the execution of the constract with a satisfactory bond for its performance) within the time specified in this advertisement, in case the bid be accepted—or in lieu of the bond to accompany the bid, a sum of money or other satisfactory collateral security in the same amount may be deposited with said Water Board; but the bond for the performance of the contract must be a written bond with satisfactory surelies.

The person or persons to whom the contract may be awarded will be required to appear at this office, with the securities offered by him or them, and execute the contract within four dars not including Sunday from the date of notification of such award, and the preparation and readings for the contract, and to be continued with regularity until its completion, which completion must be before the ist day of July, 1878, for Section A.

The bids will be compared on the basis of the engineers approximate estimate of quantities of work to be done, which is as follows:—

Sect. A. Sect. 21.

6.5.000 22,000 could yards of earth excavation.

The bids will be compared on the basis of the engineers approximate estimate of quantities of work to be done, which is as follows:—
Sect. A. Sect. 21.
65.000 25,000 onbic yards of earth excavation,
2,001 400 cubic yards of soil dressing,
400 400 cubic yards of soil dressing,
1,000 cubic yards of fock excavation,
1,000 cubic yards of prick masoury.
400 70 cubic yards of brick masoury.
400 70 cubic yards of brick masoury.
400 1,000 cubic yards of priprapping.
400 1,000 cubic yards of dry rubble stone paving,
800 1,000 cubic yards of floor paving in mortar.
801 250 cubic yards of floor paving in mortar.
802 250 cubic yards of floor paving in mortar.
803 250 cubic yards of dimension stone masoury,
with cat faces it mortar.
204 5 cubic yards of dimension stone masoury,
quarry faced, in mortar.
130 10 M. feet B. M. of spruce lumber, placed.
Specifications may be obtained at the office of the City
Engineer, City Hall, Roston, and plans may be seen at the
Lancincer's office of the Hoston Water Works, at Hostor
Lancingham. The amount of the bond required will be
such sum as may be fixed by the Water Hoard after the
proposals are opened; said sum not to be less than onefourth any more than two-thirds of the amount of the contract.

The Water Board reserves the right to reject any or all
